Your Entry

- This entry form is your opportunity to showcase your institution's achievements within the review period (**1 July 2024 to 30 June 2025**).
- In each entry form, there are required financial metrics for your business and the category in addition to qualitative text boxes. All of these align to the criteria Euromoney will use to evaluate entrants and are crucial to our research process.
- Entrants must validate with evidence any improvements their business has made in terms of operations and products during the period under review. Such evidence includes key metrics related to their business (such as assets under management, net new assets and revenues), as well as key metrics applicable to specific categories (such as penetration rates of product lines and trading volumes of investments).
- Entrants may also attach supporting documentation for their submissions.
The scoring frameworks used by Euromoney's research team use a matrix that awards more points to those entries that provide the data we have requested.

Financial Metrics

- Please provide all requested data within the prescribed timeframe and currency (where applicable). **Data provided should be relevant to the geographic region in which you are submitting i.e. your institution's global AUM if you are submitting for a global award, or regional AUM if you are submitting for a regional award.**
- Euromoney will use this data to benchmark your business against its peers.
- Euromoney will assess your performance based on growth and outright scale of the key metrics you provide. An entrant's strategy will be taken into consideration when evaluating these metrics.
- **Assets Under Management (AUM):** Total market value of actively-managed client assets, excluding assets under custody or administration.
- **Revenue:** Total income generated from management and advisory fees, transaction commissions, loan spreads and fees from other private banking services.
- **Net New Assets (NNA):** Total client money inflows minus withdrawals, and excluding market performance.
- **Return on Assets (ROA):** Annual net income divided by AUM and expressed in basis points.
- **Cost-To-Income Ratio:** Total operating expenses divided by total operating income, and expressed as a percentage.
- **HNW assets:** Total AUM derived from those clients classified as high-net-worth.
- **UHNW+ assets:** Total AUM derived from those clients classified as ultra-high-net-worth.
- **RM Headcount:** Number of relationship managers, or equivalent role.
- **RM-To-Client Ratio:** Average number of clients assigned to each relationship manager, or equivalent role.
